## **Bernkasteler alte Badstube am Doctorberg Riesling Beerenauslese Dr. Pauly-Bergweiler / Berncastel-Kues**

### Terrior

The Doctorberg is the prime vineyard of Dr. Pauly-Bergweiler. It is only 4 acres in size and it is held to 100% in the hands of the Pauly-Family. The stony blue-grey clay slate is a residual soil having a very good heat-storing potential, which makes it possible to grow quality Riesling grapes for high-end world class wines. The high proportion of blue slate gives the wine a high content of minerals and finesse. Because of the partly more than 70year old vines the yield is very low.

### Description

Pear, floral and apricot notes permeate this elegant Riesling, whose texture is light and airy, despite the intense sweetness. Picks up hooney and caramel accents on the finish.

### Suggestion

Perfect aperitif. Have it with a foie gras on toasted brioche and tomato jelly.

### Quality level

Beerenauslese

### Grape varietal

100 % Riesling

### **We say:**

„The Doctorberg brings us the most powerful wines in our lineup. With the deep layer of decomposed slate and its old vines it gets the backbone that is needed for aging.”
