## **Bernkasteler alte Badstube am Doctorberg Riesling QbA trocken Dr. Pauly-Bergweiler / Bernkastel-Kues**

Terrior	The Doctorberg is the prime vineyard of Dr. Pauly-Bergweiler. It is only 4 acres in size and it is held to 100% in the hands of the Pauly-Family. The stony blue-grey clay slate is a residual soil having a very good heat-storing potential, which makes it possible to produce quality grapes for high-end wines. The high proportion of blue slate gives the wine a high content of minerals and finesse. Because of the partly more than 70year old vines the yield is very low.
Description	This Dry Riesling from the Doctorberg exhibits green apple flavors, floral notes and a long, clean finish. It shows typical notes from the Mosel terrior – the mineral notes support the straight character of this stainless steel fermented wine.
Suggestion	It pairs beautifully with seafood, poultry, pork and Asian cuisine.
Quality level	QbA
Grape varietal	100 % Riesling

### **We say:**

„The Doctorberg brings us the most powerful wines in our lineup. With the deep layer of decomposed slate and its old vines it gets the backbone that is needed for aging.”
