Bernkasteler alte Badstube am Doctorberg Riesling QbA feinherb Dr. Pauly-Bergweiler / Bernkastel-Kues

Terrior

The Doctorberg is the prime vineyard of Dr. Pauly-Bergweiler. It is only 4 acres in size and it is held to 100% in the hands of the Pauly-Family. The stony blue-grey clay slate is a residual soil having a very good heat-storing potential, which makes it possible to produce quality grapes for high-end wines. The high proportion of blue slate gives the wine a high content of minerals and finesse. Because of the partly more than 70year old vines the yield is very low.

Description

A combination of ripe pineapple, peach and apricot gives a fruity fullness to the nose. The taste is very wholehearted and calls with the drinking the picture of ripe, juicy Riesling berries out of which this wine was pressed.

Suggestion

This wine is an ideal partner to white meat, e. g. , to a calf's fillet with an orange pepper sauce

Quality level

QbA

Grape varietal

100 % Riesling

We say:

„ The category is "feinherb" is for the Moselle an ideal category. By "more" in permissible rest sugar we can generate nicely well-balanced Riesling wines. ”
