Dr. Pauly-Bergweiler Riesling trocken 1000ml Dr. Pauly-Bergweiler / Bernkastel-Kues

Terrior	The Dr. Pauly-Bergweiler Estate has 16 ha (~34 acres) of Riesling vineyards in the steeply-sloped Middle-Mosel area. More than 75% of our vineyards are marked as „Steillage“. The vineyard soils are mostly Devon slate residual soils with varying parts of topsoil and mineral stone. The slate gives our wines a delicate and cool minerality which is typical for a Moselle Riesling. The combination of cool climate, slate and Riesling makes our wines unique.
Description	The basic Riesling in the 1000ml bottle is our bread and butter wine. It shows the pure profile of our philosophy of wine making. Clean stainless steel fruit and acidity can be found as well as fine Mosel minerality.
Suggestion	This easy drinking style of Riesling works best with a fresh salad of mixed greens, tomatoes, cucumbers and an oil + vinegar dressing.
Quality Level	QbA
Varietal	100 % Riesling

We say:

„Perfect sundowner! If you have a nice barbeque night ahead, start with a refreshing cool Riesling from our best vineyards.“
