Ürziger Würzgarten Riesling trocken Dr. Pauly-Bergweiler / Bernkastel-Kues

Terrior	The Ürziger Würzgarten is one of the most impressive vineyards in the Middle Moselle region. The red-colored slopes are planted with vines up to an elevation of 320 meters above sea level. The vineyard faces south-southeast, the soil is a mixture of red slate and sandstone which provides a reservoir for heat storage and also produces diversified mineral content. Grapes grown here from self-rooted Riesling vines annually produce great wines with exotically spicy aromas.
Description	The Würzgarten Riesling shows its origin very well – the spicy and full bodied character of the red slate can be found in every single glas. A nose of tropical fruits underlines the Würzgarten minerality and makes it to a fantastic dry wine to pair with food.
Suggestion	The Ürziger Würzgarten works fantastic with grilled fish and steamed vegetables.
Quality Level	QbA
Varietal	100 % Riesling

We say:

„A wine with character! It shows why the vineyard is named „herb garden“. Be patient, swirl the glas and find a great mix of different spices and herbs.”
