The estate in Bernkastel possess vineyards throughout the Mosel River Valley, many of which are in the “best of the best” locations. Dr. Pauly-Bergweiler is owned by Dr. Peter Pauly and his wife Helga, both of whom are traditional advocates of noble wines. The vineyards are mainly planted on difficult-to-cultivate river valley hillsides and are planted predominantly with late maturity Riesling grapes, which place high demands on their location. In most years, the Riesling wines range from hearty, juicy table wines in sharp or fruity versions up to the noble Trockenbeerauslese (wine made from dry overripe individually selected berries) and the rare Eiswein (ice wine, made from berries frozen by frost) both of which are rich, luscious sweet wines, often attracting the highest bids at top wine auctions. Dr. Peter Pauly, born in 1939, has a Ph.D. in agricultural science and is the offspring of the longstanding wine families Bergweiler and Prüm, first mentioned in official records in 1156. Dr. Pauly’s pride and joy, his 4.6-acre Bernkastler alte Badstube am Doctorberg vineyard facing directly south, yields some of the greatest wine from the Moselle valley, year after year. It is neighboring the Bernkasteler Doctor vineyard and is only planted with Riesling vines which are more than 35 years old. Dr. Pauly-Bergweiler is the only wine-maker selling “Bernkasteler alte Badstube am Doctorberg” in the US.

It is neighboring the Bernkasteler Doctor vineyard and is only planted with Riesling vines which are more than 35 years old. Dr. Pauly-Bergweiler is the only wine-maker selling "Bernkasteler alte Badstube am Doctorberg" in the US.

Bernkasteler Alte Badstube am Doctorberg Riesling Spätlese 2010

"Very pure and powerful, with concentrated flavors of red currant, white raspberry and red peach. Long and lush midpalate, with a fresh finish of citrus zest that shows lots of minerally notes. Drink now through 2040."

"The ripe flavors of grapefruit, mandarin orange and honeysuckle are lush yet shapely, buttressed by firm acidity. There's a core of slate minerality buried under the rich fruit that should emerge further with time in the cellar."

Dr. Pauly Mosel Feinherb Riesling 2010

"The pithy citrus flavors show a silky texture and subtle weight that counters the brisk, pointed acidity. Pair this with something slightly oily, like smoked fish."

Bernkasteler Badstube Riesling Beerenauslese 2010

"A bright and lively sweetie, with juicy flavors of apricot, ruby grapefruit and red peach. Very fresh, showing plenty of rich butter accents. The zesty finish features notes of baked apple and cinnamon. Drink now through 2040."

Wine Spectator 12/31/11

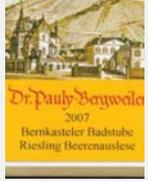

"Everything about this is concentrated, from the peach and apricot fruit to the rapier-like core of acidity. That acid holds this wine's richness in perfect suspension, allowing the flavors to express complexity and depth. The long, amply fragrant finish is drenched in minerality, with the slate notes feeling just as intense as the wine's other components."

"This feels like a baby Beerenauslese in its ripeness and intensity. Its voluptuous flavors of tangerine, roasted peach and bergamot almost overwhelm the underlying structure, but everything comes together on the richly fragrant finish."
